### Dog Licenses

Cost: **\$15.00/each** if spayed or neutered

**\$20.00/each** if not spayed or neutered

Please make check payable to "Town of Vermont", **but separate from your property tax check.**

**If you licensed a dog with the town in 2020**, their name(s), with rabies expiration information, will appear on this letter. To re-license them in 2021, you will need to provide a copy of current rabies information from a veterinarian (if rabies vaccination is expired), pay the appropriate fee, and, if remitting by mail, **enclose a self-addressed stamped envelope** so the dog tag(s) can be mailed back to you. You do not need to complete a new application.

**If you need to license a dog that was not licensed in 2020**, please fill in the application below, provide a copy of current rabies information from your veterinarian, pay the appropriate fee, and, if remitting by mail, **enclose a self-addressed stamped envelope** so the dog tag(s) can be mailed back to you.
